**Institute for Advanced Architectures and Algorithms  
Interconnection Networks  
Workshop 2008 - Closing**

---

**July 21-22, 2008 ♦ San Jose DoubleTree Hotel**

<http://www.csm.ornl.gov/workshops/IAA-IC-Workshop-08/>

# Next Steps -- Process from Here

---

- **2-4 page write-up from working group chairs**
  - > 2-4 weeks
- **Circulate summaries among attendees for comment, comments to WG chairs**
  - > 2 weeks
- **~20 page draft report created**
  - > 2-4 weeks
- **Circulate draft among attendees for comment**
  - > 2 weeks
- **Publish final report on web**
  - > 2 weeks
- **Assume schedule will slip at some point...**

# It doesn't end there...

---

- **Engage in smaller groups**
- **Focus on smaller set of issues**
- **Refine understanding of challenges**
  - > May lead to revising priorities
- **Build community to drive this challenge forward**

# Thanks to and from the Workshop Organizing Committee

---

- **Workshop Chairs**
  - > Scott Hemmert, SNL
  - > Jeffrey Vetter, ORNL
- **Coordinators**
  - > Dee Cadena, SNL
  - > Sherry Hempfling, ORNL
- **Working group chairs**
  - > Topology: Chita Das, Craig Stunkel
  - > Devices: Keren Bergman, Azita Emami
  - > PNI: Keith Underwood, DK Panda
  - > Simulation: Sudhakar Yalamanchili, Curtis Janssen
- **Panel Presenters**
- **IAA Directors**
  - > Sudip Dosanjh, SNL
  - > Jeff Nichols, ORNL
- **Organizing Committee**
  - > Keren Bergman, Columbia University
  - > Ron Brightwell, SNL
  - > Candice Culhane, DOD
  - > Bill Dally, Stanford University
  - > Bill Harrod, DARPA
  - > Thuc Hoang, NNSA
  - > Fred Johnson, DOE Office of Science
  - > Scott Pakin, LANL
